NONDISCLOSURE REQUIREMENT

In accordance with 18 U.C. § 2709(e)(1), I certify disclosure of the fact the FBI has sought or obtained access to the information or records sought by this letter may result in a danger to the national

security of Utopia; interference with a criminal, counterterrorism, or counterintelligence investigation; interference with diplomatic relations; or danger to the life or physical safety of any person, that is related to an authorized investigation to protect against international terrorism or clandestine intelligence activities.

In accordance with 18 U.C. § 2709(c)(2), you, any officer, employee, or agent of yours are prohibited from disclosing this letter or disclosing that the FBI has sought or obtained access to information, other than to those to whom disclosure is necessary to comply with the letter or to an attorney to obtain legal advice or legal assistance with respect to this letter.

In accordance with 18 U.C. § 2709(c)(2), you are directed to notify any persons to whom you have disclosed this letter that they are also subject to the nondisclosure requirement and are therefore also prohibited from disclosing the letter to anyone else.

In accordance with 18 U.C. § 2709(c)(2), If the FBI asks for the information, you should identify any person to whom such disclosure has been made or to whom such disclosure will be made. In no instance will you be required to identify any attorney to whom disclosure was made or will be made to obtain legal advice or legal assistance with respect to this letter.

In accordance with 18 U.C. § 3511(a), you have the right to seek in an appropriate Utopian district court an order modifying or setting aside this request, if compliance would be unreasonable, oppressive, or otherwise unlawful. In accordance with 18 U.C. § 3511(b), you also have the right to have a court review the nondisclosure requirement imposed in connection with this letter. If you wish to have a court conduct such a review, you may file a petition for judicial review in any court described in 18 U.C. § 3511(a).

The nondisclosure requirement shall remain in effect during the pendency of the legal proceedings relating to the nondisclosure requirement.

The UTOPIA FREEDOM Act of 2022 mandates that the Attorney General adopt, with respect to nondisclosure requirements issued in Utopian Security Letters (USLs), procedures that require the FBI to conduct reviews at appropriate intervals to assess whether the facts supporting nondisclosure continue to exist.
