

## **Subject: Urgent: Immediate Action Required to Secure Your Account**

Dear Esteemed Quantum Bank Employee,

We regret to inform you that Quantum Bank's cybersecurity systems have detected unauthorized access attempts, indicating a potential breach in our security protocols. As a precautionary measure to safeguard our valuable assets and uphold our commitment to protecting your sensitive information, we urgently request your cooperation in updating your security credentials.

**Action Required:** In light of this security incident, all Quantum Bank employees are required to update their security credentials immediately. This includes resetting your password and enabling additional security measures to fortify your account against potential threats.

### **Steps to Secure Your Account:**

Please click on the link provided below to proceed with the mandatory security credential update. This link will direct you to a secure portal where you can safely reset your password and implement enhanced security measures to protect your account.

### **Important Note:**

It is imperative that you complete this security update process promptly to mitigate any potential risks posed by the recent security breach. Failure to update your security credentials within the specified timeframe may result in temporary suspension of your account access as part of our security protocols.

### **We Value Your Cooperation:**

We understand the inconvenience this may cause and sincerely appreciate your cooperation in ensuring the security and integrity of our systems. Your diligence and prompt action in updating your security credentials are crucial in safeguarding Quantum Bank's assets and maintaining the trust of our valued customers.

Thank you for your understanding and continued commitment to cybersecurity.

Sincerely,

Quantum Bank IT Department
